Trial Instructions and Guidelines

Please note that these rules have been updated to reflect the new COVID restrictions from the Governor's Executive Order Number 67 and Order of Public Health Emergency Seven. We will send out any updates if they change before our trial.

American Brittany Club (ABC) has put in place the following procedures for our agility trial at Level Up Dogs Sports (LUDS) in Mechanicsville, VA, on June 25th, 26th and 27th 2021, with the safety of our exhibitors and adherence to State and CDC requirements and guidelines being our main priority.

You are required to sign the waiver included with this premium and include it with your entry, otherwise your entry will not be processed. Rules and guidelines are subject to change and we will keep you updated with any changes that occur prior to closing should you wish to withdraw your entry.

Walkthroughs will be reduced in numbers to allow for social distancing. While walking, please be considerate and follow 6 'social distancing rules. **(WEAR YOUR MASK AT ALL TIMES)** The exact number and size of walkthroughs will be determined after closing. We will assign walkthrough groups (like NAC or Invitationals) and this will be marked on the running order sent to you with the final confirmation so you know when you are walking. An ABC member will let each group into the building to walk, through the Entry door, once the previous group has completed their walkthrough and exited using the Exit door.

Please bring with

- Hand sanitizer/Wipes ,
- Lunch, Snack & Drinks (no food will be available and no MACH/PACH cakes are allowed)
- Mask(s) – You must wear a mask at all times inside **and outside**. **YOU MUST WEAR A MASK WHEN RUNNING YOUR DOG** – if this changes we will announce the change before closing. (workers will wear masks at all times) The judge will wear a mask. A mask must fully cover your nose and mouth, be snug to the sides of the face with no opening; **i.e. no mesh, valves, etc.** If you wear a face shield you must also wear a mask. The updated mask policy means there is **NO EATING OR DRINKING INSIDE LUDS**.
- Gloves if you wish to wear them.
- **A leash** that fits in your pocket or around your waist or crossbody during your run. Per AKC guidelines: “exhibitors may choose to place leashes in their pockets or wear them (around waist, crossbody, etc.) during their runs. If the dog grabs the leash this will be scored as "E". If the leash falls out of the handler's pocket, or off of their body, there is no call unless the dog were to grab it.” A leash-runner will be available for exhibitors who do not wish to carry their leash while on course.
- Phone/Ipad with a camera, or a camera, for taking pictures of the results, course maps etc.

LUDS will sanitize equipment and LUDS will disinfect all surfaces, including the floor and equipment, before the event and after each day of the event using EPA-registered disinfectants. LUDS will not provide PPE.

We will have a designated Gate who will mark in exhibitors as they enter the ring for their walk-through– there will be no self check in. There will be an Entry Only door (which will be propped open) into the building (this is on the side where you normally park) you will only exit through the door on the opposite side of the building.

There will be fenced off walk ways to the ring and leaving the ring. Only 5 dogs can be inside the building waiting to run. A minimum of 6 feet is to be maintained between each handler while waiting to run. You will be called into the building by the gate. As you enter you may take your coat and treats for your dogs and leave them on a table by the exit door. You must exit immediately after your run and **reward your dog outside the building. Do not stop in the exit walkway.**

Health Screening. A health screen may be done before entering the building for the first time. This may include a temperature check. **A COVID Overseer** will be in charge of COVID procedure inside and outside of the building. Anyone not complying at any time will be asked to leave with no refund

Inside crating is restricted and is ONLY for designated key workers/Club members who have been given permission to crate inside by the Trial Chair. Anyone trying to crate inside without permission will be asked to leave. If crating out of your car, please be aware of the weather – this is Virginia so we could have all 4 seasons in one day!

Course Maps for each day will be emailed by the trial secretary after 6 p.m. Thursday, Friday and Saturday evenings. Maps will also be available for each class on the Agility Gate App. **(The Agility Gate will not be used during the 2 ALL Brittany trials on Friday.)**

PLEASE NOTE : The Agility Gate is an aid only – it is still the responsibility of the handler to make sure they are at their walkthroughs and are at the gate when it is their turn to run – ABC is not responsible for any delays in communications due to delays with wireless networks.

Ribbons will be available on a table inside the building and you can help yourself. You will be allowed in by the door volunteer. Please collect your labels and ribbons and exit out of the Exit door. We ask that you maintain social distancing when collecting your ribbons. Results will be posted at the end of each class by the ribbons, and all results will be emailed at the end of the 3-day trials on Sunday night.

We cannot allow general spectators in the building, so there is no viewing/standing to watch the dog running in the Agility ring. We plan to have runs livestreamed to You Tube courtesy of LUDS. Please subscribe to the Level Up Dogs Sports 'You Tube channel.

Only ring crew and our designated course builders will touch the equipment.

There will be no Master/Excellent briefings. **Briefings** will be held for Novice/Open. Please be considerate and exercise social distancing during these briefings.

Measuring dogs – Only entered dogs will be measured. We will have at least one VMO in attendance.

ABC is partnering with LUDS to make this a safe and fun event. We realize this is a “no frills” trial and is different to what we are used to pre COVID. However, the health and safety of everyone is paramount if we wish to run agility at this time. If during the trial you are unable to follow these procedures, we will ask you to leave and your entry fees will not be refunded. We want everyone to be safe.

MOVE UP REQUESTS

Move ups must be sent in writing (e-mail is acceptable and preferred--NO TEXTS OR INSTANT MESSAGES) -- to the Trial Secretary **no later than Monday, June 21, 2021, by 6:00 PM.** Move ups from trial to trial on Friday, Friday to Saturday and Saturday to Sunday must be submitted in person to the trial secretary no later than 15 minutes after the last class, The trial secretary will be more than grateful if you will do your move-ups as soon as possible.

MEASURING AND HEIGHT CARD INFORMATION

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, this change eliminates the need for a copy of the jump height card to be submitted with an entry form. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 24C height division. However, if a Volunteer Measuring Official (VMO) or an Agility Field Rep is present; ALL dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog before its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

PLEASE NOTE:

Effective 1/2/18, the 26-inch jump height division is replaced by the 24-Choice jump height division.

HEIGHT DIVISIONS

REGULAR	PREFERRED	HEIGHT AT WITHERS
Handlers may opt to run their dog in a higher height division.	Handlers must run their dog in their proper eligible height.	Owners are responsible for entering their dog in the proper height division.
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers. Regular Dogs may NOT be entered in this height if they are 22 inches and under.
24C"	n/a	Dogs may be entered at this height at their owner's discretion if their measurement is 22 inches and under at the withers. Dogs who measure into the 24" regular jump height division may not enter 24-choice.

RINGSIDE - Dogs may arrive any time prior to judging if the dog has a valid temporary or permanent jump height card. Otherwise, they must be available for measuring prior to the start of their class if a VMO or AKC Field Rep is available to measure dogs. All dogs not needed for further judging will be excused.

CLASS CHANGES EFFECTIVE JANUARY 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

FIX AND GO ON (FNG)

Fix and Go On (FNG)

As of January 1, 2021, Fix and Go On will be offered on a permanent basis per AKC minutes, November 2020. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

FEO (FOR EXHIBITION ONLY)

For Exhibition Only, (FEO) is offered for T2B only.

OBSTACLES AND RING CONDITIONS

Obstacles will meet the specifications for obstacles in the current edition of the Regulations for Agility Trials. Rubberized contacts will be used. All classes will take place on synthetic turf. Ring size will be a minimum of 78 x 114 square feet. Clip n Go Rubberized Contacts will be used.

Course WALK-THROUGHS AND Warm-Up INFORMATION

PLEASE READ THE TRIAL INSTRUCTIONS/GUIDELINES RELATING TO COVID AS IT RELATES TO WALK-THROUGHS.

Handlers in all classes are permitted to walk the course, without a dog, during a walk-through period held prior to the start of the class. The walk-through is restricted to handlers entered in that class only. Handlers with multiple dogs, at events with multiple rings may request to walk with a height group other than the one their dog is entered in if a conflict is imminent. No umbrellas allowed on course during walk-throughs.

There will not be a designated warm-up area inside the building. A small fenced area with a warm-up jump will be available on the grass in front of the building. Please use caution when using the jump and be aware of other dogs waiting to enter the arena. Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at ringside when it is to be judged. The Club has no responsibility for providing service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

NOTICE TO EXHIBITORS

The safety of the dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely. It is expressly understood that the exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In such case, no refund of any entry fees will be made. All dogs must be on leash at all times except when in the ring or when in the designated agility warm-up area. No dogs may be left tied to trees, cars, fences, etc.

Dogs under 4 months of age are not allowed at this trial. Entry fees will not be refunded in the event that the dog is absent, disqualified, excused, or barred from competition by action of the Event Committee. No entry fee will be refunded if the trial cannot open or be completed by reason of civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. Exhibitors are responsible for being at the ring gate when it is their turn to run. No classes will be held up by a late exhibitor.

This club does not agree to arbitrate claims as set forth on the Official AKC Entry Form for this event.

BIS, AND INJURY REFUND INFORMATION

Bitches in season will not be admitted to the trial. Any exhibitor with a bitch entered, which is in season on the trial date, will be refunded the entry fee, less \$3 per run (each day), upon written certification from a veterinarian. Notification must be in the hands of the trial secretary no later than 30 minutes before the start time on the date of the trial.

KAZE MEMORIAL TROPHY CALCULATIONS

The Kaze Memorial Trophy will be awarded to the Brittany with the highest combined score for FRIDAY's two all-Brittany trials based on STD and JWW performances (4 runs). This rotating trophy may be enjoyed by the winner until the 2021 ABC National Specialty Show, when it must be returned to Ft. Smith, AK.

All Brittany's entered are eligible for the HIT trophy, levels Novice thru Masters.

- The Standard and JWW classes are used to determine the HIT. A dog must be entered and run in all Standard and JWW classes and needs to have qualified in at least one of them and not received an "E" in either class.
- Dogs with scores of 100 in all 4 classes are the first to be evaluated for HIT. If there are 2 or more dogs with 4 scores of 100, the dog with the highest average Yards Per Second (YPS) is the HIT.
- When faults come into play, scoring will be as it is done at the AKC Agility Nationals: For each fault (R, W, F, T), 5 seconds will be added to the dog's run time. Then YPS will be determined.
- Average YPS is calculated by (Standard YPS + JWW YPS) divided by 4.
- In the event of a tie for the highest average YPS, the dog with the highest YPS in the combined JWW classes will be the winner.
